Dear ball guests!

The committee of Vienna's Doctors' Ball wants to thank you for your interest and welcomes you to Vienna's Doctors' Ball. The festive ball takes place every year on the last Saturday of January in the magnificent Hofburg Vienna.

With exquisite decorations and colourful floral ornaments, the ball committee endeavours to underline the traditional characteristics of the ball.

In order to complete the imperial impression, we would like to ask you to devote your attention to the (appropriate) dress code:

Ladies:

Full-length evening dress

Gentlemen:

Black tailcoat - white bow-tie,

Black tuxedo/dinner-jacket – black bow-tie,

Uniform (formal suit)

If you are inviting guests or maintaining tickets for other visitors, we beseech you to point out the provided evening dress.

The ball committee reserves the right to refuse entrance to guests without appropriate evening dresses.
